THE SAN FRANCISCO EARLY MUSIC SOCIETY

The venues and contact information here are based primarily on previous Festivals, and offered merely as suggestions to Fringe performers and are not endorsed in any way by the San Francisco Early Music Society (SFEMS). All Fringe concerts must abide by our [Covid-19 protocols](#), which will be updated as conditions change. Please note that venues may be subject to additional Covid-19 protocols.

Other venues in the Berkeley area may be booked and used for Fringe concerts. All bookings, fees, and concert logistics are the responsibility of the performing group.

See <https://berkeleyfestival.org> for Fringe concert blackout times (corresponding with main stage concert times) before booking a venue. Fringe concerts are permitted during these times but will not be publicized by SFEMS.

**Availability at the California Jazz Conservatory is very limited due to class and concert schedules.*

***SFEMS is coordinating Fringe concert bookings at Loper Chapel, First Congregational Church, one of the Festival's main stage concert venues. However, please note that Loper Chapel will not be available from Monday, June 6 through Friday, June 10, and may be subject to further restrictions.*
